

Whistler

Student Housing in Midtown Atlanta

Welcome to Whistler.

Not every place is worthy of being called home. Then again, Whistler isn't like any other place. At Whistler, you'll quickly find your people. The ones you haven't known your whole life, it just feels that way. You'll find your place. Spaces that are caffeinated, curated, and capable of dropping jaws and raising spirits. You'll find your home. Places to push your limits and pull all nighters, to reach your center and rest your head.

**Whistler isn't just student living,
it's a student lifestyle.**
